

National Curriculum Coverage – Music

KS1

Due to the structure of each of the 3-week topics, from the Music Express scheme, they all begin with singing and other vocal activities and then move into skills and instrumental work with opportunities for further application. Therefore, the KS1 objectives are constantly revisited, secured and extended. Unlike other subjects, these objectives weave throughout the whole of the KS1 curriculum and don't just fall into individual topics.

KS2

Due to the structure of each of the 3-week topics (LKS2) and longer 6-week topics (UKS2), from the Music Express scheme, they all begin with singing and other vocal activities and then move into skills and instrumental work with opportunities for further application. Therefore, most of the KS2 objectives are frequently revisited, secured and extended. Unlike other subjects, these objectives weave throughout the whole of the KS2 curriculum and don't just fall into individual topics.
