

May 2022

Dear Parents and Carers,

Welcome back! We hope you had a restful Easter break. We are planning a very busy final term of Reception!

With this letter is an overview of some of the things your child will learn this term. In Reception, we always try to plan according to the children's interests so things are subject to change!

### **Topic**

This term our topic will be 'Water Water Everywhere'. As part of this topic, we will look at water in all its forms and the water cycle as well as floating and sinking. We will read the stories numerous times and do many fun activities around them. We will also start to write our own stories.

### **Sun cream**

As the weather starts to get better please ensure you apply sun cream on your child before coming to school, especially on hot and sunny days. We spend a large part of the day outside and try to give the children the opportunity for outside learning as much as possible. Also, please provide a named sun hat and bottle of water, labelled with your child's name, every day.

### **Snack**

Snack money is £14 for the Summer term. This is payable via 'School Gateway'. We really do appreciate the payment of snack money so that we can provide your child with a variety of snacks during the day but also it allows us to buy things for curriculum enrichment.

### **Reading/Library books**

Please make sure library books are in your child's book bag at the end of each week Ash = Thursday and Beech = Friday) so that they can be changed.

Reading books will be changed every Tuesday and Friday. Please remember to keep record of your home reading and ensure that your child's reading record book is at school every day.

Finally, if you have any questions or concerns please come and speak to us and we will be happy to help.

Yours sincerely

Mrs Foster and Mrs Briden
