

Trust Behaviour Policy

St. Francis of Assisi Catholic Academy Trust

Signed off by: Trust Board

Date from: November 2023

Review Date: November 2024

The St Francis of Assisi Catholic Academy Trust believe that all individuals are valued in the sight of God and so staff and pupils treat each other with respect and courtesy at all times.

Our four Franciscan Values support our Christian ethos and underpin the behaviour that we strive for.

Community

Building supportive and encouraging communities

Compassion

Showing the love of Christ by working for the common good

Creation

Recognising our responsibility to care for the world around us

Peacemakers

Showing the love of God by offering forgiveness and supporting each other

The Academies within the St Francis of Assisi Catholic Academy Trust are responsible for determining their individual behaviour policies and these can be located on their websites. All policies adhere to Department for Education Exclusions guidance, Hertfordshire County Council Guidance and Gospel Values.
