

St Joseph's Catholic Primary School
To live, love and learn in a caring Christian community

Code of Conduct for Employees

INTRODUCTION

As an employer, the Governing Body is required to set out a Code of Conduct for all school employees.

As a Catholic School, all adults in school are expected to actively follow and live out our mission statement: "To live, love and learn in a caring Christian Community."

The mission statement reflects how the family of St Joseph's is to conduct itself at all times. All communication and interaction between members of the family of St Joseph's - staff, children, parents, carers and visitors must reflect our mission statement.

Furthermore, as part of the Catholic Education Service terms and conditions, staff are expected to be conscientious and loyal to the aims and objectives of the School.

In addition, staff are required to develop and maintain the Catholic character of the School. Staff are to have regard to the Catholic character of the School and not do anything in any way detrimental or prejudicial to the interests of the same at any time, at work or at home.

All staff employed under Teachers' Terms and Conditions of Employment have a statutory obligation to adhere to the 'Teachers' Standards 2012' and in relation to this policy, Part 2 of the Teachers' Standards - Personal and Professional Conduct.

Staff should be aware that a failure to comply with the following Code of Conduct could result in disciplinary action including dismissal.

1 PURPOSE, SCOPE AND PRINCIPLES

A Code of Conduct is designed to give clear guidance on the standards of behaviour all school staff are expected to observe, and the school should notify staff of this code and the expectations therein. School staff are in a unique position of influence and must adhere to behaviour that models the highest possible standards for all the pupils within the school. As a member of a school community, each employee has an individual responsibility to maintain their reputation and the reputation of the school, whether inside or outside working hours.

- 2.3 All staff must also avoid putting themselves at risk of allegations of abusive or unprofessional conduct.
- 2.4 This Code helps all staff to understand what behaviour is and is not acceptable.

Appendix 1 – aide memoire for all staff

When we speak to others we will:

- use a positive statement rather than a negative one so that children can learn what we expect of them in any situation.
- use a calm tone of voice at all times, to explain something to or instruct the children, so that they can follow our words without feeling threatened or uncomfortable.
- avoid using sarcastic words or phrases as these demean children and prevent them from developing high self-esteem.
- speak respectfully to other adults at all times, even if we disagree with them.

As professionals we will:

- avoid workplace gossip and negativity as it breeds resentment and becomes a roadblock to effective communication and collaboration. We all have a duty to take active steps to divert conversations away from this if we come across it.
- maintain confidentiality about anything that we see or hear in the school, so that parents and children can trust us, and as a way of showing respect to our fellow professionals.
- work as part of a team, contributing as well as learning from others and helping to build up a strong workforce so that we can provide the best possible learning opportunities for the children.
- work within the school's policies and practices, so that what we do is consistent with what has been agreed between all members of the staff and the governors.
- treat everyone with respect.
- dress appropriately, so that we set a good example for the children and to show that we are here to work.
- behave in a positive way despite any personal problems that we may have, especially in front of the children.

Appendix 3

Relationships with students outside of work declaration

It is recognised that there may be circumstances whereby employees of the school are known to students outside of work. Examples include membership of sports clubs, family connections, or private tutoring. Staff must declare any relationship outside of school that they may have with students.

Student Name	Relationship

I can confirm that I am fully aware of the code of conduct relating to contact out of school with students in line with this policy.

If I am tutoring a student outside of school I am aware that the following must be adhered to:-

- I do not, at any point, teach the child in question as part of my daily timetable - this is a stipulation of such tutoring
- I emphasise to parents that this is done completely independently of the school
- No monies come through the school at any point, informally (e.g. via the child) or formally
- No private tutoring is to take place on the school premises

I confirm that if these circumstances change at any time I will complete a new form to ensure the school are aware of any relationships.
