Happy Days School Photo Subscription Information

We are delighted to offer you the opportunity to sign up to our amazing value monthly subscription service for all your school photos for just £4.00 per month.

Just to clarify how simple it is, you sign up one time only, you will add all your children's information into the form, set up a simple direct debit payment for just £4.00 per month (to be taken on the last day of every month) and we do the rest.

How often do we visit?

We aim to visit your school 3 times throughout the school year to shoot the following:

Traditional school portraits and sibling photos
Desktop portraits
Class groups

(The actual number of visits will be determined by your school)

What do you get and how does it work?

When we photograph your children, you will automatically receive one 5x7 inch print of every portrait photo we take and any sibling shots. We aim to capture 3 shots per child and 3 sibling shots (if applicable). You do not need to do anything to order these prints, they will automatically be sent to your school with our bulk orders, generally 2-3 weeks after the photo day.

Please note your subscription will not include historical photos, only photos taken during the term after first payment will be included.

You will also receive one 8x6 printed class photo when we do these in the summer term.

On top of the physical prints, you can also download all your portrait and sibling images free of charge by visiting www.hdporders.com and entering your unique access code which your child will bring home on photo day. Unfortunately, class group photos will not be available in digital format, on these visits you will receive prints only.

Finally, as a subscription customer you will also receive 50% OFF our great value packages and extra prints online, should you wish to order additional prints/sizes for family members.
