

St Joseph's Catholic Primary School

Travel Plan, produced 01/07/26

Current Accreditation Level Excellent TP

Accreditation Expiry Date 31/07/2026

Introduction

Site Details

Type of Site	School
URN	117425
Name of site	St Joseph's Catholic Primary School
Travel Plan Coordinator	Kellie Halls
Telephone Number	1279652576
E-mail address	khalls@stjosephs207.herts.sch.uk
Address	Great Hadham Road, Bishops Stortford, Bishop's Stortford, Hertfordshire, CM23 2NL
Website	http://www.stjosephs207.herts.sch.uk

Site Introduction

St Joseph's Catholic Primary School is a caring school which values each member of the community. This is encompassed in our School Mission Statement. Expectations of care and concern for the well being of all children, staff and families are central to our ethos. The school is located in an area which is mostly made up of other educational sites and private residential properties. In close proximity are Windhill21 Primary School, St Michael's Primary School, St Mary's Catholic School and Bishop's Stortford

Site Details

	College. There are a number of private properties close to the school entrance. Due to the fact that St. Josephs is a Faith School, it draws its pupils from a wide catchment area, made up of a range of residential zones. This leads to a wide range of different travel modes. The school is fairly central and is served by a busy network of local infrastructure
Location Type	Urban with Significant Rural
Local Amenities	School is in a largely residential area, in close proximity to multiple schools and a college. The Town Centre is approx 20 minutes walk from school, offering a range of large supermarkets and smaller retail and high street shops. Town also provides a range of leisure facilities, restaurants and bars. The school is well served by local roads and footpaths. local roads can get congested and busy and vehicles travel not only to schools and homes but also to and from town. A range of community and medical facilities are also found with easy reach of school
Type of School	Primary
Education Level	Early Years/Foundation,Key Stage 1,Key Stage 2
Head Teacher	Miss Ann Cassidy-Jones

Student Information

Age Range of Students	4-11
Number of Students	429

Aims and Objectives

Aims & Objectives of Travel Plan	
Aim	• Increase the number of active travel journeys to school (while decreasing car journeys) • Improve safety outside the gate and on the journey to school • Increase education and awareness around sustainable travel choices and environmental impacts of car use
Objectives	• Improve health through encouraging active travel and reducing emissions outside school • Improve environment through reducing congestion, pollution and CO2 emissions • Improve road safety through education and considering local infrastructure • Improve opportunity by educating children about travel choices and initiatives

Working Group & STP Summary

Name	Role
Vedran Biondic	Governor
James McNaughton	Site Officer
School Council pupil	Pupil
Ann Cassidy-Jones	Head Teacher
School Council pupil	Pupil
Kellie Halls	School Office
Emma Tumelty - Bishop Stortford College	Other
Eco Council	Other

Working Group Actions

Site Audit

Transportation Links

Does the school have a School Street in place?	No
Details of Walking Access to site	There are a good network of footpaths leading to the school (incouding along Hadam Road and in local residential streets like Wentworth Drive, Sunningdale, Scott Road etc). A pelican crossing immediately outside school on hadam Road provides a safer crossing point for pupils and parents. Pupils are encouraged tyo use this crossing pont as hadam Road is a busy route. The footpaths in the vicinity of the school are generally of good quality (Hadam Road, Windhill, Sunningdale, Wentowrth drive). Pupils are able to walk to school form various areas of Town. 3 Walking Bus routes have previously been assessed by the school and relevant council authority, however, at present a lack of volunteers has prevented the roll out and use of the routes as viable Walking Bus routes.
Details of Cycling access to site	The school is not directly served by any cycle routes or paths. The nearest of these runs along Great Hadham road, but diverts just before the roundabout linking Great Hadham Road, Oriole Way and Villiers-Sur-Marne Ave. Those cycling to school have to use the local road network. the road immediately outside school (Hadam Road) can be very busy and, at times, congested.
Details of Bus access to site	The school is served by several bus routes with a bus stop located on Great Hadham road, adjacent to the school grounds. The bus stopped is labeled "Wentworth Drive" Intalink buses 20, 27, 28 & 386 Service 20 runs between The Hormeads and Bishop's Stortford in the morning with the reverse in the afternoon, it provides an 08:20 arrival time (approx) & a pick up time of 16:07. This service runs every school day Service 27 runs between Royston and Bishop's Stortford. This service only runs on Wednesdays, and between 09:35 & 14:33 Service 28 runs between Buntingford and Bishop's Stortford. This service only runs on Mondays, and between 09:35 & 14:33 Service 386 runs between Stevenage and Bishop's Stortford. This service only runs school days, but with a drop off time of 08:04 and a pick up of 16:04. It also appears to then travel straight on to Little Hadham, avoiding the rest of Bishop's Stortford. Service 20 http://www.intalink.org.uk/routes/1573/ 27 http://www.intalink.org.uk/routes/1585/ 28 http://www.intalink.org.uk/routes/1576/ 386 http://www.intalink.org.uk/routes/1732/
Details of Rail access to site	The nearest train station is located in central Bishop's Stortford. It is approximately 1 mile away, and would take about 20/25 minutes to walk to or from (most would walk via Scott Road/Apton Road/Newtown Road/Station Road)
Details of Road Access to site	The School is located in one of the main roads within Bishop's Stortford, Great Hadham road. This road links the town Centre with the residential area of Thorley and Thorley Park, and provides access to Bishops Park Way, which in turn allows access to the areas of St Michaels Mead and Bishops Park. These 3 areas are those from which the majority of the school population is drawn from.

Facilities

	Description	Numbers
Cycle Parking	Total Student Cycle Spaces	12

Further Information	NA

STARS (Sustainable Travel and Road Safety) Audit

Name of road (outside main entrance)	Great Hadham Road
Name of other roads surrounding the site	Wentworth Drive, Old Windhill, Windhill
Date of assessment	12/02/2026
Speed limit of the road outside main entrance	20mph
Speed limit on other roads surrounding your site	30mph

How many of the following crossing facilities are present within 500m of your site?

Pelican Crossing	1
Puffin Crossing	0
Toucan Crossing	0
Zebra Crossing	0
School Crossing Patrol	0
Pedestrian Refuge	0

Further Questions

Is there any traffic calming within 500m of the site, e.g. speed bumps, build outs	No
Are there railings present outside or near the main entrance?	Yes
Is the main vehicular entrance used for pedestrians/cyclists as well as cars?	No
Are there any dedicated cycle lanes leading to the site?	No
What is the quality of the pavements like within 500m of the site?	Poor
Any other obstacles or road layout issues within 500 metres	Due to lack of parking in the area cars parked by commuters or town workers are often outside the school all day. This restricts the parking available for school drop up and pick up and also narrows the road to single lane use.

Completed	Public Transportation	PT4 Safe/ Accessible Private Coach Pick up/Drop of	Kellie Halls	26/04/2024	get the skills and confidence to ride on their own. Private coaches are able to park in the school car park layby to collect and drop children off safely. The car park has an entrance and exit gate, so is able to manoeuvre.	23/05/2024
Completed	Public Transportation	PT5 School promotes Young Person's Travel Card Scheme	Kellie Halls	01/07/2024	Parent mail sent to our year 6 parents informing them of the Hertfordshire Young persons Saver Travel card.	27/06/2024
Completed	Road Safety & Training	R10 Be Bright Be Seen Activities	Eco Council	30/10/2024	The Eco council lead some Be Bright Be Seen activities to the children in their class to promote the importance of wearing bright and reflective clothing when travelling during the winter months.	02/11/2024
Completed	Road Safety & Training	R10 Be Bright Be Seen Activities	Kellie Halls	29/11/2025	Our school took part in the Be Bright Be Seen campaign. We encourage pupils if they are walking, cycling, scooting to school to wear bright, fluorescent, and reflective gear during the darker winter months to prevent collisions.	26/11/2025
Completed	Road Safety & Training	R11 School invites experts/organisations to talk about personal safety	Kellie Halls and Sarah Elliott	28/03/2025	Sarah delivered a lesson on the 'Distraction' posed by mobile technology use in the street environment. The discussion included the safety benefits of technology but also the hazards of using technology while walking in the street/crossing the road. A practical demonstration took place to highlight how hard it is to concentrate on using a phone while also walking in the street. The pupils generated some great discussion and asked some thoughtful questions	28/03/2025
Completed	Road Safety & Training	R19 Other road safety & training initiative 1	Kellie Halls	30/04/2025	Installation of a fence to separate the staff car park vehicle entrance from the pedestrian entrance to school. This improves children's safety when travelling to and from school.	28/02/2025
Completed	Road Safety & Training	R20 Other road safety & training initiative 2	M Elliott	06/11/2023	Year 1 pupils has an online road safety session with Local Authority Sustainable Travel Officer. Pupils were read a story including important road safety topics such as 'Be bright be seen' and the Green Cross Code. The story was followed by a question and answer session/discussion with pupils about travelling safely as a pedestrian. All pupils listened carefully to the road safety story. Pupils were then engaged in a proactive discussion with Sustainable Travel Officer regards the content of the story and pedestrian safety. Pupils came away with valuable road safety knowledge	06/11/2023
Completed	Road Safety & Training	R21 Other road safety & training initiative 3	C Saunders	05/02/2024	Sarah Elliott, sustainable travel officer, delivered an online discussion regards active travel, the street environment,	05/02/2024

Status	Type	Action	Person Responsible	Target Completion	Reporting	Completion date
Completed	Road Safety & Training	R27 Other road safety & training 5	Kellie Halls and Eco council	01/12/2025	pedestrian safety and safer crossing points. Sustainable Travel Officer led a discussion regards active travel, the street environment, pedestrians safety and safer crossing points. Pupils engaged well and shared their knowledge and experience of active travel, the street environment and engine idling. Sarah encouraged pupils to explore the various safer crossing points and consider pedestrian behaviour, and potential hazards, at each. Our school took part in the Be Bright Be Seen campaign, We discussed with the children how by wearing brighter clothing and choosing the right route at night makes a huge difference to your safety, and to always remember to be bright and reflective when walking, cycling and scooting.	26/11/2025
Completed	Road Safety & Training	R9 Road Safety Assembly / Presentation	G Kitchen	16/02/2024	Sustainable Travel Officer, Sarah Elliott, lead an online road safety session for Reception pupils. Sarah read a story about in car safety and making a safe journey in the car - getting in and out the pavement side of the vehicle. This was followed by a discussion around safer journeys. Reception pupils were well engaged with the road safety story. Pupils were also well engaged with the questions and discussion which followed. All pupils enjoyed the session and learn important road safety knowledge	16/02/2024
Completed	Walking & Scooting	W11 Walking / Wheeling Trips	Kellie Halls	01/06/2024	Pupils walking to local schools for sporting events. Staff escort the children to local schools to help reduce congestion on the roads and car pollution.	20/06/2024
Completed	Walking & Scooting	W16 Other walking, wheeling & scooting 1	Kellie Halls	01/06/2025	The school carried out a 'Bling our Ride' week. All children were allowed to decorate their scooter or bike and bring into school for a parade. Every child had the opportunity to ride their scooter or bike in the playground. There were winners in each year group for the best decorated scooter/bike.	23/05/2025
Completed	Walking & Scooting	W18 Other walking, wheeling & scooting 3	Kellie Halls	24/05/2024	The pupils, parents and staff participated in Walk to School Week to promote sustainable travel. They will learn about the important reasons to walk or wheel and its benefits for individuals and the communities.	24/05/2024
Completed	Walking, Wheeling & Scooting	W26 Other walking, wheeling & scooting 4	Kellie Halls and Eco Council	19/06/2026	During Walk to School week we celebrated Happy Shoesday. The children were encouraged to walk, scoot or cycle to school and were able to wear any suitable footwear. They also got to design there own funky shoes.	19/06/2026

Gold Standard Initiatives

Status	Type	Action	Reporting	Completion date
Completed	Excellent / Outstanding Actions	GS1 Walking and Scooting Promotion	At St Joseph’s Catholic Primary School, we are proud to travel sustainably. We have a clear travel plan and are committed to improving the lives of our pupils and community through road safety education, promoting active travel and more sustainable travel. We encourage all pupils and parents to walk, scoot or cycle to school, with bike shed open daily for all pupils and staff to utilise. As parts of our efforts to promote physical activity and help the environment by reducing traffic and improving the quality of air around the school we implement several initiatives throughout the year. Our Initiatives include: Our Eco Council encouraged all pupils to participate in the Sustans Walk to School week and received class certificates to celebrate the incredible achievement attained. They led a school assembly promoting Clean Air Day and how by actively travelling to school you are helping to reduce car pollution.	01/07/2024
			In a clear message to our staff, visitors and regularly external agencies we informed them that there will be car parking restrictions at two peak times during the school day. This means that the car park gates will remain closed during those times and no vehicles can enter or exit. Parents are not permitted to drive into our car park or to stop/wait outside the school.	
			We promote many national campaigns including Road Safety Week and Clean Air Day. Parents are informed of these events via parent mail, and we use the available resources in school for our pupils learning. These vents also get published and promoted to our community via our social media platform.	
			The above are only a few activities we implemented to encourage sustainable travel. Other initiatives include scooter training for our reception children and cycle training for our year 6 pupils.

Senior Management Team - Name	Ann Cassidy-Jones At St Joseph's Catholic Primary School, we are totally committed to active and sustainable travel. We continually encourage our children to walk, cycle or scoot to school. As a Catholic school, we have children that live in many areas of Hertfordshire and Essex, that fully walking to school for them is not possible, however we always encourage our parents to park and stride to school. We continue to deliver many impactful initiatives throughout the academic year. At St Joseph's, our School Travel Plan delivers a consistently positive impact for both pupils and parents. This success is proven by our annual travel surveys and the targeted green initiatives we introduce throughout the year. We actively encourage every member of our school community to take personal responsibility for protecting the environment.
Senior Management Statement of Endorsement	I endorse the work of the School Eco Council and their role in delivering the RSPB Big School Bird Watch, the environmental audits required for our upcoming Eco accreditation, and their leadership in motivating the other pupils and their families during our dedicated active travel weeks. The whole St Joseph's Catholic Primary School community feels a strong sense of responsibility for improving/resolving the dangerous parking, traffic congestion, and pedestrian safety hazards around our school gates during drop-off and pick-up times. Both the school, parents and our local police have worked together to address these local traffic concerns through constructive dialogue, including holding dedicated parent and community meetings to express solutions, gather feedback, and implement practical strategies to reduce dangerous parking behaviours. Through our School Travel Plan, we have been able to provide vital life skills to our pupils, such as independent cycling skills for our Year 6 cohort, hands-on road safety lessons during local walks to church, and measurable reductions in car dependency through our targeted green initiatives. Active travel has become embedded in our school through creative school-wide events, targeted pupil leadership, and community-focused campaigns, which are detailed below: Participating in Active Travel Events- We believe that changing travel habits is most effective when it captures the imagination of our pupils. Our school calendar features highly anticipated events that celebrate sustainable travel: Bling Our Ride: In May 2026 we held a 'Bling our Ride' event for our pupils to encourage active travel and creativity. Throughout the week all children had the opportunity to decorate their scooter or bike and bring it into school. The children had the opportunity to show their rides off during a parade. There were winners in each year group for the best decorated scooter/bike. Happy Shoesday: The children participated in Happy Shoesday during Walk to School week. The school encouraged them, to walk, scoot or cycle to wear wearing any suitable shoes other than school shoes. The children also had an opportunity to design their very own shoes. Practical Safety Education: Ensuring our children are confident and safe pedestrians. To build these essential life skills we participate in Year 6 Bikeability, Educational Local Walks, Pupil Leadership through our Eco Council. Our school has being awarded an Eco accreditation for our commitment in helping the environment, and working together with our parents by holding meetings regarding the parking issues around our school. Through these collective efforts, St Joseph's demonstrates how committed we are as a school to promote active and sustainable travel to protect our environment.
