

26th November 2018

**An opportunity to join your child for 'Show and Share'
Afternoon Nursery**

Dear Parents,

The children have all been working very hard this term and time has just flown by! We know how much the children enjoy having their parents come in to the class occasionally to see some of the things they are doing, so we would like to invite you into the Nursery for a short 'Show and Share' session.

The idea is that you share an activity with your child from the range of activities available; they will be the type of things your child would normally be doing during Child Initiated Learning, e.g. puzzles, painting, drawing, construction, stories, small world etc.

Please add to the 'My Interests' sheets which will be up in the cloakroom. There are also stickers for you to write up any special moments that have happened out of school.

This terms 'Show and Share' session will be on Thursday the 13th of December at 2.45pm. The session will last for no more than approximately 30 minutes. If you, or another family member, are unable to come please let us know and we will work alongside the children.

Please be aware while in the classroom you will not be allowed to use your mobile phone or camera.

We look forward to seeing you,

Kim Foster and Heather Cannon
