

R.E Home Learning Activity One

In School, we have been learning about the Sacraments of Initiation.

We would like you to talk about your own Baptism or a Baptism you have been to with someone at home, and then create a poster to share with your class when you return to school.

You can produce this in any way you like - in a poster, a list of facts, a labelled photo, a collage or even a newspaper article.

Remember to include pictures or drawings, and information about when it was, who was there, who the Priest was and where it was.
