

Year 1 R.E Homework

Our recent R.E topic has been 'Beginning With The Church.' Amongst other sacraments, we have studied the most important gift we have received from God ~ Himself. We would now like the children to share where they see God in the world around them. They can do this in any way they wish, for example: a photograph, a memento, a piece of writing, a drawing, a collage.

We look forward to hearing about this very important gift from God.
