HOUSE SAINTS

# HOUSE SAINTS

As you all know, we have House Saints at St Joseph's and you are all part of a particular house.

Your task over the next couple of hours or so is to research the Saint that leads your house and find out as much information about them as you can.

Before I explain the task in more detail, let's remind ourselves of these Saints:

Yellow House - Saint Pope John Paul II

Blue House - Saint Anthony

Red House - Saint Oscar Romero

White House - Saint Bernadette

Green House - Saint Margaret Clitherow

As a Catholic School, we try our best to live out our mission statement each and every day.

Therefore, these Saints are very important role-models that can help us to be the best people that we can be when at school and at home.

They help us to use our faith as a guide to how we should behave and treat others.

What is a Saint?

How does someone become a Saint?

The Catholic Church recognises a Saint to be someone who has died and gone to Heaven that lived a holy life and was especially close to God. They may have been prophets, messengers of God, doers of good deeds or healers.

We also have Saint Joseph as our Patron Saint.

These Saints are people that devoted their whole lives to something that is greater than themselves - God.

What do you know about Saint Joseph?

Who was he and what did he do?

You may wish to take a look at the following web sites to get a better idea of what makes a Saint.

This may help you in your own research later on.

This could be:

- As a drawing or painting
- Written as a story or recount
- A report , using headings and sub headings
