KS1 Kindness Award - Maria (Year 2)

KS2 Gratitude Award- Olivia (Year 6)

Staff and Curriculum changes this term:

This term we welcomed Mrs Higgs who is job sharing with Miss Roper, allowing Miss Roper to continue to teach high quality music to our pupils on a Monday and Tuesday. Mrs Guiver has made a great start working in Nursery, with our youngest pupils already enjoying their sessions. Mrs Kitchen has also made great contributions to Ash class and EYFS. This term we are using a PPA company to deliver French, Art and Design Technology from Years 1-5. As a result, our Year 1 and 2 classes are receiving specific French teaching which is enriching their knowledge. Years 5 and 6 are receiving specific French lessons from Mrs Correa- an MFL teacher from St Mary's, which is giving them the best opportunity to improve their language skills prior to secondary school. Alongside the PE coaches and music from Miss Roper, our pupils really are having a wide range of learning opportunities from specialist teachers.

School Uniform:

Now that we are entering the second half of the Autumn Term, please remember that we no longer wear our summer dresses or shorts to school. Outdoor footwear needs to be solid navy blue or black shoes or boots- not black trainers with white or any other coloured stripes, ticks or logos. There may be a few pupils in school who have been given permission to wear alternative footwear under medical advice before corrective surgery. If that is the case for your child, please make an appointment to see Mr Coldwell. Please could you also make sure that your child has a pair of black indoor shoes/plimsolls in school.

Attendance:

Whilst our school attendance last year was above the national average, we are still looking for attendance across the school to be 96% and above, which was our pre-Covid

average. Well done to Hazel, Maple, Oak, Pine, Poplar, Rowan and Willow classes for achieving above 96% this half term.

As part of involving our pupils with improving our school, KS1 and KS2 pupils were invited to consider being a School Council Representative. We had our first meeting this week and discussed various potential projects. The agenda for the year will be finalised soon. Next term, the representatives will communicate this to their own classes, collating the views of their peers.

Chaplaincy Team:

We have had a busy start to the year! In September, we hosted the Chaplaincy Teams from across the St Francis of Assisi Academy Trust for a liturgy; afterwards, we were presented with our badges by Mr Celano, and we are wearing them with pride! We led a whole-school assembly about the Franciscan Value awards; it was very nerve-wracking, but we enjoyed the experience. We have also been leading the Rosary every Friday lunchtime during October, and it has been lovely to see the younger children praying peacefully. Each week, we take turns to create a 'Monday Mission', based on the Gospel from Sunday, and we share this with all of the classes.

Next half term, we will continue to spread the Good News through our actions. We are really looking forward to looking after Creation by arranging a litter-pick and showing compassion by organising a collection for the local food bank.

Thank you:

We would like to say thank you to the Blue Diamond Garden Centre, Harlow for their kind donation of £30 towards our gardening club.

Finally:

We wish Mrs McKenna the very best as she finally goes on maternity leave. We prayer for her and all expecting mothers in the world.

Prayer

Hail Mary, Mother of Mercy, our life, our sweetness and our hope.

To you, we cry, as children of God, joined as one with our wounded world, with hearts full of hope for a home transformed.

Mother of Creation, look upon us we pray, so we may come to see God's earthly garden through the radiant light of wisdom.

Holy Mary, Mother of all, make us worthy we pray, to treasure the earth our common home, and show us the blessed fruit of your womb, Jesus.

Amen.

(Cafod- This prayer is inspired by the Salve Regina.)
