

St Joseph's Catholic Primary School and Pre School

Parking

As with many schools we have limited parking available to our parents. For those that can, please walk to and from the school as much as possible. For those that live too far to walk, please consider driving part of the way and walking the rest. This will help to ease the congestion around the school.

Walking buses have been considered from a number of areas around the town but volunteers are needed to supervise them. Can you help? If so, please contact Nicola McManus sbmanager@stjosephs207.herts.sch.uk. Routes are risk assessed from Sainsbury's Thorley, the town bus station and the Bricklayers Arms at the bottom of Bells Hill.

Want to know more about Walking Buses? Please go to www.hertfordshire.gov.uk/walkingbus

College Gravel Car Park

This car park is the property of Bishop's Stortford College and they kindly allow us to use the car park at the beginning and end of school. It should not be used during the school day. The car park provides approximately 30 spaces. Cars should not be parked on the road that leads to the car park.

Great Hadham Road

This road becomes very congested at school drop off and pick up. Please be considerate when parking on the road and, in particular, do not park too close to the roundabout, in the bus stop, or on the zig zags by the crossing.

Windhill School

This car park should not be used by St Joseph's parents.

School Staff Car Park

This is a very busy car park for staff only and deliveries and blue badge holders where this has been notified and agreed in advance with the school. Please do not pull up in the entrance or exit to the car park, drive through the car park or park there whilst dropping off or collecting from school, pre school or early birds/night owls.

Also, could we please remind people not to walk thorough the car park. Entrance to and from the school office, nursery and reception classes is via the gate by the nursery building, which should be closed after use.

Surrounding roads

Please park safely and with courtesy and consideration when parking in surrounding roads. Restrictions may apply on some roads.

We appreciate your cooperation in this matter.
