Home Learning Pack

Year 1 ~ Cherry & Cedar Classes

Please note, in school we sometimes use Youtube to support the children's learning. However, we always copy and paste the URL into Safeyoutube (please see the following link) to ensure we are following our school.

E-Safety policy. <https://safeyoutube.net/>

Please ensure, when the children are working online, they are supervised by an appropriate adult as they always are when in school.

Read, Read, Read!

Are you remembering to use your phonics skills to help you read? Do you think your reading has improved? We are looking forward to hearing you read when you return to school! Please see the uploaded comprehension activity 'Christmas Comprehension' on the school website. Please note, parents, siblings, or anyone at home can help you complete this.

English

We will continue to use the National Oak Academy Home Learning for all of our English lessons. Please see uploaded English & Phonics Home Learning Timetable/Overview for guidance.

Phonics

Please continue to play games and explore Phonics Play to support your child's phonics knowledge. When you click on individual games online, you can select the sounds you wish to focus on. Please also feel free to revisit other sounds that you feel your child may need to practise a little more. In school we are currently working on Phase 4, blends. Please see uploaded 'Phonics blends Wordsearch Quiz.'

In order to support your child with the correct pronunciation of the phonics sounds, please take a few minutes to visit the 'Articulation of Phonemes' on our school website.

Ideas to support spellings - You could also ask your child to think of a sentence including one of their spellings, and then write the sentence in full. We have also provided a worksheet to support with spellings at home.

Maths

We will continue to use the White Rose Maths Home Learning for all of our Maths lessons. Please see uploaded Maths Home Learning Timetable for guidance.

R.E

Advent to Christmas

As you are aware, our RE topic for this half term is *From Advent To Christmas*. We would like the children to create a Nativity scene detailing what this important Bible story means to them. They can do this in any way they wish: drawing, painting, collage, craft work ... the list is endless. An account of the birth of Jesus can be found in Luke's Gospel (Luke 2:1-20). You are very welcome to upload a photo of your child's creation to Seesaw.

P.E

There are a number of online fitness activities for children. Zumba For Kids, Joe Wicks Children Workouts, Cosmic Kids and GoNoodle websites are ones that the children will be familiar with.

Foundation Subject - Science - Seasons

Please see uploaded Science Seasonal Changes - Winter on school website.
