

## English Home Learning -January 2021

Each lesson should take you approximately 45 minutes to complete. You will need to be connected to the Internet to watch the videos and have a piece of paper/exercise book and pencil. Everything you need for each lesson will be on the screen in front of you. There is one English lesson for each day, here are the links for the lessons.

Please ensure that you have completed these five lessons for when we return to school as we will be completing the next five lessons of this topic in our new classroom!
